ARIA 6 SERIES

Enjoy the freedom of hearing

earn[®]et.eu

If **hearing** is freedom,
then **Aria 6** user are
free...

Aria6 series have the hardware that covers your expectations and offers superior performance in the hardest conditions. It makes you feel free...

Life space

Your personal life space is where you hear, see and dominate.

With lack of communication your personal life space could be restricted.

Aria 6 series

change your **perspective** of life and offers an unlimited, extensive hearing **freedom.**

Peace

Trusting technology and being aware of it's aim is important.

Being relaxed about the quality of your communication will let you in peace.

The closer we get to the real world of sounds, the more pleasant our conversation become.

Equal opportunities

Many people around the world get the opportunity to use Aria 6 series with a variety of product options.

Equal opportunities offer everybody a chance to use high performance Aria 6 device.

Smart technology

Smartest technology resembles the function of ear in it's best.

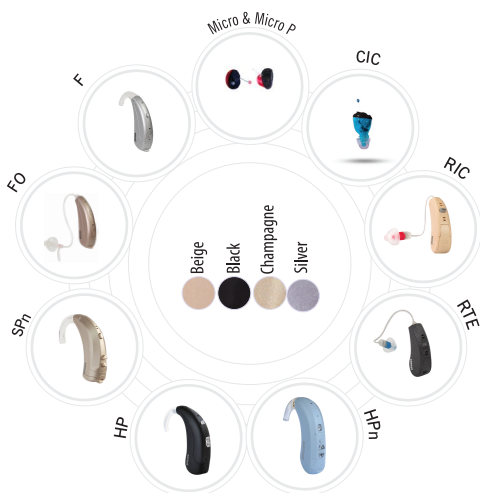

Each channel and adaptive band tries to locate the existing sounds of life by analyzing them as required.

Aria 6 offers a perfect hardware with its great similarity to the ear.

A comprehensive series
